Spilltrans.org

Go to our transportation [website](#) and tell us about your transportation experiences. We want to hear from you!

Our websites resources are geared towards providing you with the best information possible regarding the transportation services being offered in the state of Kansas, attempt to network those services for the customers we serve, and pass along any successes, improvements, pitfalls, or roadblocks to the Statewide Independent Living Council of Kansas (SILCK) for purposes of systems advocacy.

“Oh the Places [We’ll] Go!”
